

THANK YOU

Kevin,

We really appreciated all of your help with the Remodelers Council Garage Sale. It took a lot of persistent calling, a lot of marking, a lot of hauling, and some great selling to create such a successful event. Your donations to the sale were very much appreciated as well.

Thanks again, Kevin! We couldn't have done it without your help!

Thank you so much for being a part of the committee, Kevin. You have been a huge help over the years & we very much appreciate it. *Rebekah*

By the way... I see more KTRC interviews in your future. 😊
